

Mellon Contact Services SA was established in 1997 with the objective to provide world-class debt management services to companies that provide credit lines to facilitate transactions with their corporate customers and consumers. The company holds a leading position in the Greek market, maintaining a strong customer-base that consists primarily of financial institutions, telecommunications providers and top retail companies.

Since our foundation we have built an unparalleled track record of over 100 projects run on behalf of more than 25 leading customers, with no compromise to our high standards of professionalism and business conduct integrity.

Mellon Contact Services is a member of ESEDA (Hellenic Association of Debt Management Companies) and has been certified according to the ISO 9001:2000 standard.
